

# BIBLICAL WORLDVIEW CLASSES FOR PUBLIC SCHOOL HIGH SCHOOL STUDENTS

*Instructor: Andrew Coley*

## CHRIST AND THE ARTS

*Andrew Coley presents a survey of the myriad of ways in which the Creator has imbued within each of us a creative capacity. Your artistic inclinations are not happenstance. Instead, students will learn they are fundamental to Imago Dei, being created in His image. Students will learn to appreciate this truth in art that has been created through time while seeing how to apply these principles in future artistic pursuits.*
